Done. My first invitation did not have Steve on it, but I have corrected that now.

1 pm eastern start works great. If you have an invite sent to me and Steve, we can forward to the folks on our side that will be joining. I expect we'll narrow it down from the broader management team, but then also add a couple of our modeling guys.

Thanks!

Juan

Looks like we are available on Thurs between 10:30am and 3pm, eastern. How does that align with your team's schedule?
